SEAFOOD ANTIPASTOS

Our most well-recognized product line is our seafood antipasto! We are the *only* manufacturer of seafood antipasto in Ontario, from start to finish! A blend of squid, cuttlefish, shrimp and octopus which are carefully prepared by hand, cooked to perfection and tossed in a traditional marinade for a grand taste. It is then hand-packed in canola oil and herbs to satisfy the more sophisticated seafood consumer.

These healthy seafood treats are exquisite when served as an appetizer, in marinara sauce, with pasta, rice or in a salad.

Mix it up to create a divine dish.
